SKILLS

- React JS
- Node JS
- Express JS
- Mongo DB
- C Programming
- C++ Programming
- Git
- Windows
- Linux

LANGUAGES

- English (Moderate)
- Gujrati (Fluent)
- Hindi (Fluent)

INTERESTS

- Problem Solving
- Frontend Designing
- Learning new Technologies
- Collaboration & Teamwork

PROFILE

Aspiring Software Development Engineer with strong foundation in Data Structures, Algorithms, and full-stack web development (MERN stack). Skilled in building scalable applications using React, Node.js, Express, and MongoDB, with hands-on experience in designing secure authentication flows, responsive UIs, and API integrations. Passionate about solving real-world problems with clean, efficient code and continuously learning new technologies to stay ahead.

PROJECTS

DevNotes Application

Full Stack (MERN)

- Built DevNotes, a productivity app combining note-taking and todo management with full CRUD support, task priorities, and completion tracking.
- Designed a clean, responsive UI focused on distraction-free writing, intuitive task workflows, and overall usability.
- Implemented secure authentication and protected routes, ensuring private, user-specific data with optimized state management for performance.

Blogging Application

Full Stack (MERN)

- Developed Blogify, a full-featured blogging platform with CRUD functionality for posts, categories, and tags using a scalable component-based architecture.
- Integrated a form, media uploads, and routing to enable optimized and user-friendly content publishing.
- Implemented JWT-based authentication with role-based access control (admin, author, reader) and protected routes for secure content management.
- Designed a fully responsive UI with light/dark theme support, focusing on accessibility, performance, and smooth user experience.

Auth Application

Full Stack (MERN)

- Built a secure authentication system with signup, login, JWT-based access, and protected routes using a modern React frontend.
- Implemented password reset flow with token-based verification, forms, with clear and smooth UI.

EDUCATION

KJ. Somaiya Institute of Technology College of Engineering GPA: 8.3	2022-2026
Acharya Ambalal V Patel Junior College High Secondary School GPA: 60%	2020-2022
ST. Lawrence High School Senior Secondary School GPA: 70%	Till 2020
